

Call for Participation

We invite you to join us in **16th International Conference on Digital Image Processing and Pattern Recognition (DPPR 2026)**

This conference is a forum for presenting new advances and research results in the fields of Digital Image Processing. The Conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. The scope of the conference covers all theoretical and practical aspects of the Digital Image Processing & Pattern Recognition, from basic research to development of application.

Highlights of DPPR 2026 includes:

- 13th International Conference on Computer Networks & Data Communications (CNDC 2026)
- 16th International Conference on Advances in Computing and Information Technology (ACITY 2026)
- 16th International Conference on Artificial Intelligence, Soft Computing and Applications (AIAA 2026)
- 7th International Conference on Internet of Things & Embedded Systems (IoTE 2026)
- 7th International Conference on NLP Techniques and Advanced AI Systems (NLPTAI 2026)
- 12th International Conference on Software Security (ICSS 2026)

Registration Participants
